## Seeking employment for native English Speaker

GE01045892

My name is Tomas Olsen and I will be moving to Georgia at the end of February for the next two+ years. I have extensive experience teaching English both in a classroom setting and to individuals in Peru, Kyrgyzstan, and Ukraine. I also have writing/media experience primarily with interviewing for both written and video formats. I am detail oriented, determined, adaptable, and creative. I have conducted research, worked with customers in a variety of contexts, organized for a political campaign, and created content for radio. I am extremely willing to do new things and will bring a high level of passion and care to whatever job I do.
