Vacancy details

Hi! Our family with 3 small kids are in need of someone that can purchase our groceries in the mornings, come and cook 3-4 meals for the day, and then clean the apartment we live in. This should take about a total of 4-5 hrs every day, with one of two days off every week. (20-25 hrs per week total).

Your English skills should be good, and a liking for healthy food is a must ;) if you are also good with kids, it is a plus.

Place will be central Tbilisi.

Contact me here :) interview can be done in the last week of August.
