Vacancy details

I need a someone to accompany me during a business trip. It will be a one week business trip and I would need this person to accompany me around and help me speak the Georgian language everywhere I go. He or she will be more like a translator. Translating what I say to the people I will be communicating with. This could be male or female but must be presentable and must dress well. Send an email to adewaleadewale01@gmail.com with what you want to be paid.
