Vacancy details

Founded in 2019, Simplest Editors is a pioneering internet-based language company that offers document revision services to clients in all sectors, including business, academia, and publishing. For 2 years, we have cultivated our reputation as a leader in the editing and proofreading industry. Today, Simplest Editors is a fast-growing, profitable online company with a network of 240 professional freelance editors, processing hundreds of orders per day.

We are looking for technical freelance writers/editors to help create/edit engaging content on a wide variety of topics, from finance and technology to pop culture and entertainment. The ideal candidate should be well-versed in creating/editing 100% unique and informative content that engages the reader in a conversational and inviting manner.

WHO YOU ARE:

(Required)

At least bachelor's degree in any technical field

Competent in performing basic research on a wide variety of topics

Strong organizational skills and attention to detail

Ability to work as a team player with students and administrators

Ability to work independently and efficiently, exercising reasonable judgment, in a fast-paced, multi-task environment with minimal supervision

BENEFITS:

Training in writing technical content

The opportunity to develop your skills in a leading publishing house

Competitive compensation with performance-based bonuses; (\$8+/page)

Flexible schedule. You decide when and where you'd like to work!

Ability to combine this job with your current errands

To proceed with the registration process, please send us your CV to vacancy@edsimplest.com

We are looking forward to working with you!
