Business Development and Marketing Manager

GEO1451114

A strong player with extensive experience in both worlds: Sales and Marketing.

A business development manager with a marketing background who combines advanced sales skills, knowledges in business administration and valuable work experience to develop a customer-oriented sales culture.

A dedicated marketing manager that applies "focus-on-sales" approach for operational marketing strategy.

A visionary, adept in analytical thinking, strategic planning, leadership, and building strong relationships with business partners and customers.
