## Looking for a well established company to hire me.

GE021462

I am a 24 year old male born in tbilisi, moved to Israel at the tender age of 4 and grew here till i was 15 , then moved to New york and studied there till the age of 21. the past 3 years been living in israel again.

My experience and knowledge is something to take under serious considerations.

Ive worked as a Banker for Fleet bank in Manhattan New york, i also worked as a investment specialist in Goldman&Sachs. the last few years ive worked as a Regional sales manager for a Telecommunication company in israel with high rate of success and demonstrated elevated sales%.

But there comes a time in every mans life that he wants to go back to his roots and this is mine, iam moving back to gerogia to experience the people, colture and of course to earn good living in a fast and steady growing economy.

I am interested in all offers and my working price is something that can be negotiated.

Contact me via my email i wont be in georgia till early june.

Good luck on recruiting me :)
