Job Profile for Junior Forex Trader

We are looking for 10 – 15 individuals who are interested in the financial markets to join an ambitious, high performing trading team. Ideal candidates are BA graduates, social, energetic and are interested to build a career in the financial industry.

This is an excellent opportunity to become a full time Forex Trader by joining the program and trading live funds. The learning program consists of two weeks in house training, followed by a selection process where the successful traders will be given live funds to trade with fixed salary and percentage from all earnings.

### KNOWLEDGE/ SKILL REQUIREMENTS

- A strong academic background. You will either be a recent graduate or someone that is close to obtaining a degree, preferably in Finance, Accounting, Math, Economics, Business or a related field

- Exceptional negotiation & communication skills
- Keen interest in finance & trading
- High degree of self-motivation, efficient time management and excellent organizational skills
- Ability to work well within a team & cope under pressure whilst staying alert to market conditions at all times
- Good understanding of the impact economic data has on market pricing
- Knowledge in operating Information systems
- High level of attention to detail
- Non-smoker - mandatory

Please send CV to: [jobs@aitinvest.com](mailto:jobs@aitinvest.com)
